

A

Genome-transformation papers over time

B

Transformation studies

First author	Year	DNA delivery approach	Fluorescence marker	Selection	Transformation result
Polonais	2006	Magnetofection, electroporation, biolistics and transfection	GFP	Albendazole and fumagillin	None reported
Guo	2016	Transfection	GFP	–	Some fluorescent spores reported
Dong	2022	Electroporation	GFP and DsRed	–	Some fluorescent spores reported
